

# ***DHARMA***

## ***For Awakening and Social Change***

### **Relevant to Our Times**

***Dharma*** suggests that our society is out of alignment with Dharma and out of harmony with the laws of nature. It describes this lack of harmony with our planet and the living beings who reside here as the root cause of the pandemic, climate change and other difficulties facing us today.

### **Offering Viable Solutions**

***Dharma*** goes on to suggest that we can awaken to right action and restore balance and harmony in our personal lives and on our planet, offering valuable insights into the application of universal truths for personal transformation and viable solutions to issues facing us.

### **Based in Deep Spiritual Wisdom**

***Dharma*** looks at dharma and healing, our connection to nature, the evolution of the ego, karma, our relationship to nature and more. It then goes on to look at climate change, migration, pandemics, conservatism, technological development, nationalism, the changing role of women and similar topics in relation to Dharma and the restoration of balance in the world.
